

EXCLUSIVE OFFER FOR RSA'S

- **RELATIONSHIP MANAGEMENT** - All group negotiations are managed for you by RSA National Office, however, you still have the ability to work with OfficeMax, as a key supplier, to discuss your individual requirements, regarding service levels and products. The hard work is all done for you, but there is still the flexibility to meet YOUR needs.
- **NATIONAL SERVICE LEVELS** - No matter where your RSA is located within New Zealand, you will receive the same excellent levels of service from OfficeMax.
- **BENEFIT OF EXCELLENT GROUP PRICING** - Pricing will be based on the combined group spend, for an agreed range of standard core range products. Each member will also then be able to add into the range products specific to their requirements, again at an excellent price.
- **ACCESS TO 18 RETAIL LOCATIONS, NATIONALLY** - You are able to purchase directly from one of the OfficeMax retail locations, at the same price and with the same level of service you will receive if you purchase using any other method.
- **DELIVERY** - Overnight to most locations in New Zealand; some rural locations may take two days.
