WORKER**  
(2022)

# MISSION STATEMENT

The Naval Community Organisation is committed to providing services, support and advice to the Naval community (service persons, families and civilian staff) and so contribute to the Navy's effectiveness in reaching its goals.

**(Bringing our Community Together).**

## CORE VALUES

*Courage, Commitment & Comradeship*

## OBJECTIVES

Ensure Whanau/Families needing assistance can access support. By giving free and confidential help and support to all Naval families, especially when partners are on deployment.
